META
NIGHTCLUB

INTRO

Come and explore a new and fascinating Virtual Reality experience on the blockchain.

Meta NightClub is the first space of it's kind, developed using the latest technologies in virtual reality.

The team at Meta NightClub is working hard to create a stunningly realistic environment for all guests to enjoy.

We're pushing boundaries every day with our events, bringing you a mix of live shows, DJs, strip parties and adult industry models from across the world for your enjoyment, as well as hosting crypto events that are both entertaining and informative.

In the aftermath of COVID-19 and the acceleration of Blockchain adoption across the world, it is also predicted that the Metaverse Industry is to expand further within both the Virtual Reality (VR) and Non- Fungible Token (NFT)

According to Strategy Analytics (Global Research Company), the global metaverse market is expected to reach \$280 billion valuation by 2025.

META
NIGHTCLUB

What is Metaverse?

The metaverse is a concept of a persistent, online, 3D universe that combines multiple different virtual spaces. You can think of it as a future iteration of the internet. The metaverse will allow users to work, meet, play, and socialize together in these 3D spaces.

Metaverse is facilitated by the use of virtual and augmented reality headsets and it's seen as a significant business and financial opportunity for the tech industry.

META
NIGHTCLUB

Fundamentals

#Party

Meta NightClub is a fun nightclub for everyone in the Metaverse. Casual parties, DJ events and Strip nights are just a few of the events taking place at Meta NightClub.

#Socialize

Social gatherings focused on crypto and NFTs (investment opportunities, trending projects, upcoming releases etc) will take place on a weekly basis.

#Earn

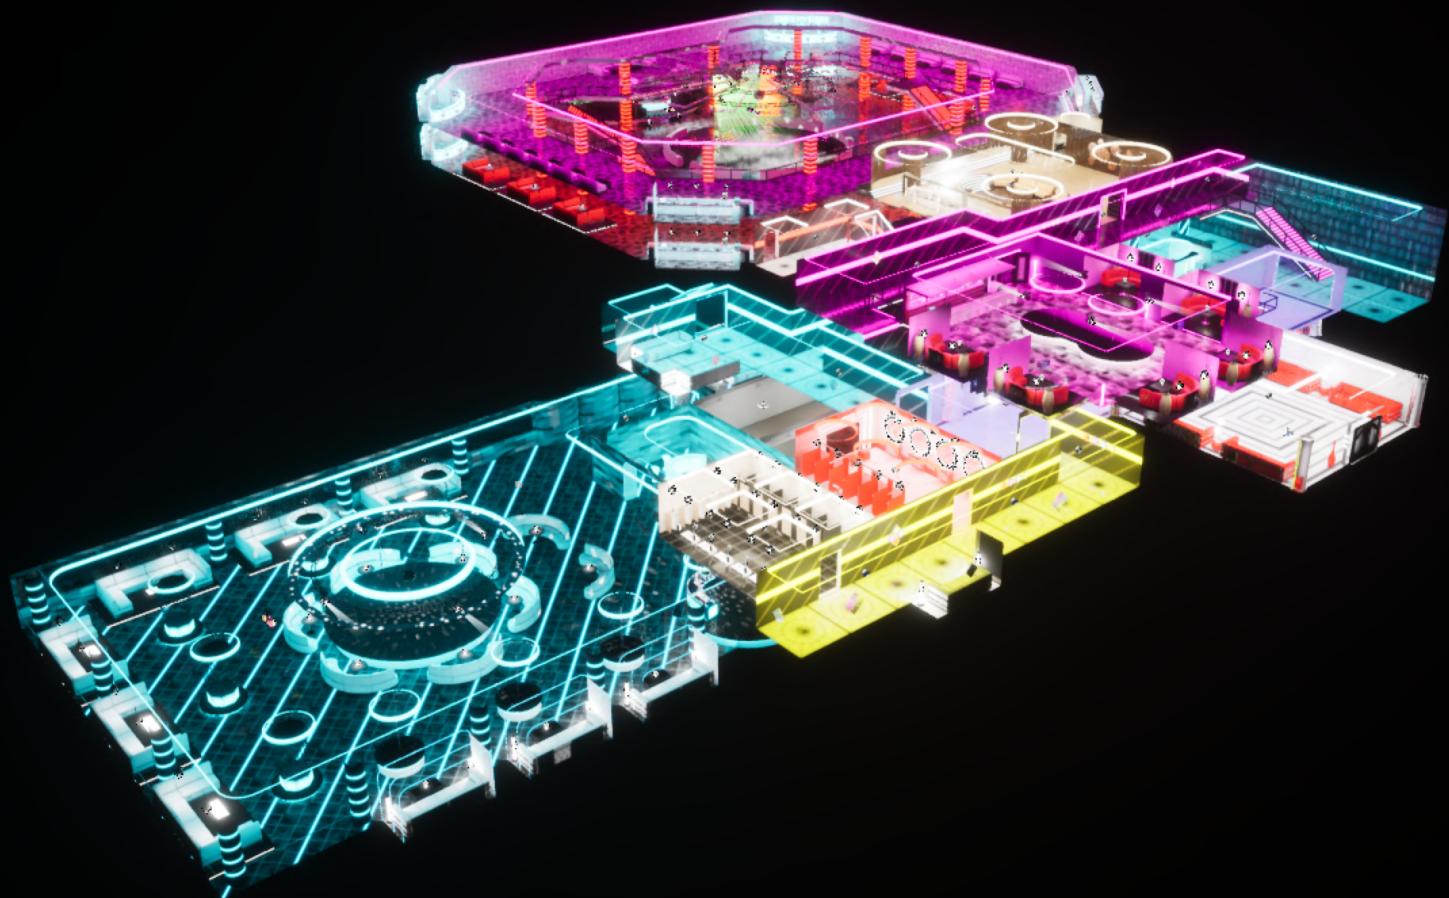

Meta NightClub holders will have several benefits such as: free admission, rewards, staking schemes, DAO voting rights and launchpad allocation.

Club Overview

Meta NightClub is being developed using one of the most advanced game engines alongside blockchain technologies to offer a cutting-edge nightlife experience in the Metaverse. Meta NightClub is divided in 4 nightclubs, each having it's own particularities and dedicated events:

- Ruby Club
- Topaz Club
- Amethyst Club
- Diamond Club

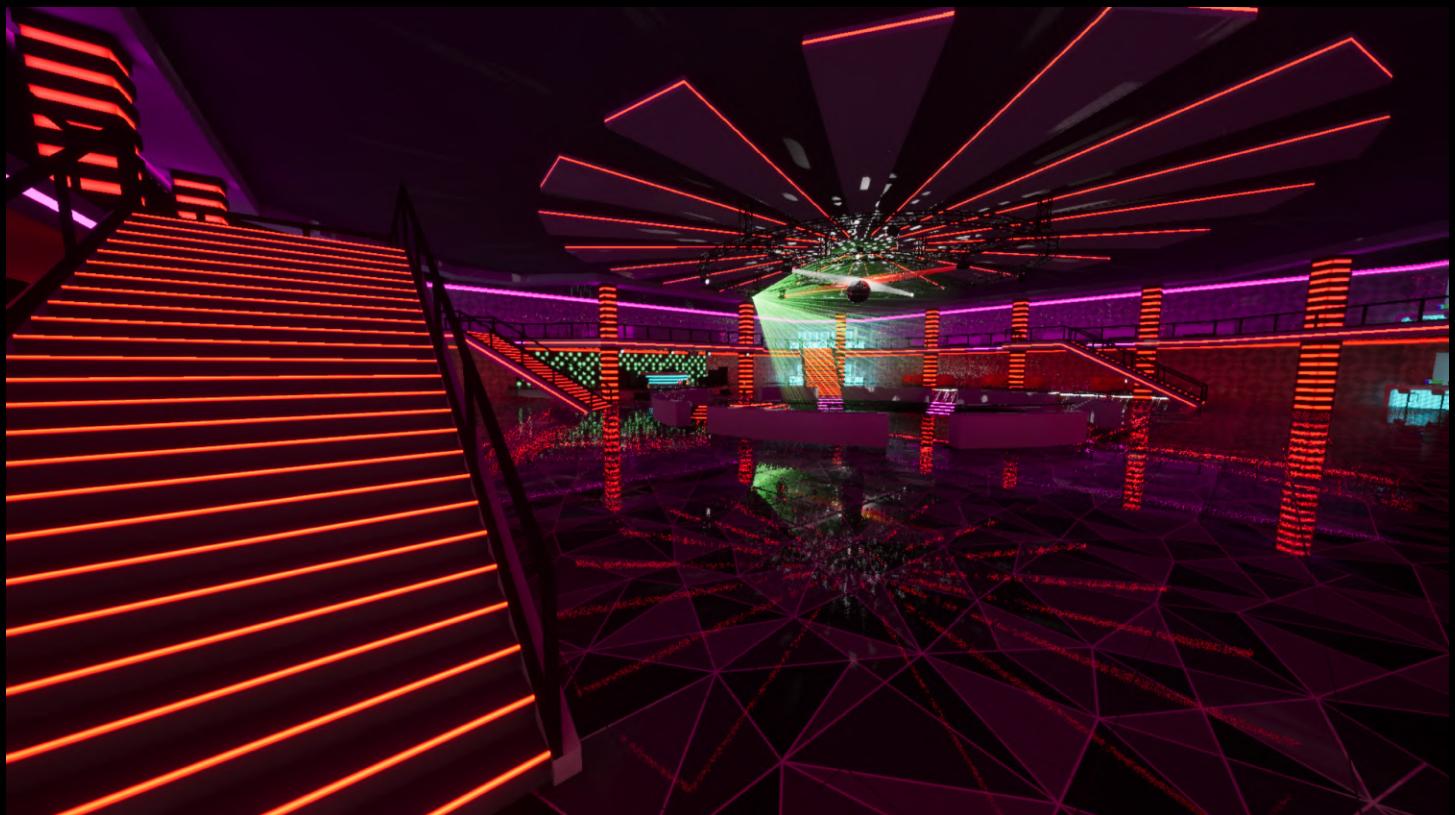

META
NIGHTCLUB

Ruby Club

Ruby Club is an exclusive venue in the Metaverse where open parties will be organized by Meta NightClub team. The Ruby Club will become the place to be every night featuring the hottest DJs showing their skills.

Particularities:

- Lifetime FREE access for Ruby Card holders
- 40% of Club's revenue share distributed to MNC NFT holders
- Ruby DAO voting

META
NIGHTCLUB

Topaz Club

Topaz Club is an unique virtual nightclub available for rental for private parties in the metaverse, a shared virtual reality experience that can be themed to suit any occasion. Our event spaces are more than a fancy backdrop to your event, they are part of our identity.

Particularities:

- Lifetime FREE access for **Topaz** Card holders
- 40% of Club's revenue share distributed to MNC NFT holders
- **Topaz** DAO voting

META
NIGHTCLUB

Amethyst Club

Combining premium elegance and style with a unique twist, Amethyst Club is redefining the ordinary strip club experience. Located in the heart of the Meta NightClub, Amethyst Club is a premium hot spot that has something for everyone: hot models will present the best strip shows you have ever seen.

Particularities:

- Lifetime FREE access for Amethyst Card holders
- 40% of Club's revenue share distributed to MNC NFT holders
- Amethyst DAO voting

META
NIGHTCLUB

Diamond Club

Diamond Club is an exclusive new way to explore limited-access crypto events featuring investors, celebrities and influencers around the Metaverse. Diamond Card holders will receive the support to create their own decentralized business and will be introduced to exclusive networks and investment opportunities such as IDOs, ICOs and INOs.

Particularities:

- Lifetime FREE access for Diamond Card holders
- Diamond Card Holders can use the club to host their own private events in Metaverse
- 40% of Club's revenue share distributed to Diamond Card holders
- Diamond DAO voting

NFT Cards

Meta NightClub represents a collection of 6969 NFT Cards categorized by the 4 nightclubs (4 rarities):

- Ruby Card - associated with Ruby Club
- Topaz Card - associated with Topaz Club
- Amethyst Card - associated with Amethyst Club
- Diamond Card - associated with Diamond Club

The NFTs are stored as ERC-721 tokens on the Ethereum blockchain and hosted on an interplanetary file system (IPFS).

By minting a Meta NightClub NFT you will receive:

- ownership rights
- lifetime access for the associated Club
 - rewards from club's profit
 - Staking opportunity
- Guaranteed Allocation to Private Phases on Launchpad
 - DAO voting rights

META
NIGHTCLUB

Advertise inside MNC

Meta NightClub team will manage the relationship with advertisers and ensure that the adverts will be generating a revenue stream directly for **Premium NFT holders** (holders of all 4 NFT Card types: **Ruby + Topaz + Amethyst + Diamond**).

Adverts will be placed in key zones of Meta NightClub and will be present in the form of:

- billboards
- items sponsorship (exclusive brand for drinks, logistics equipment and more)

50% of the Revenue Share will go directly to **Premium NFT Holders**.

META
NIGHTCLUB

Meta NightClub Platform

NightPad (NFT Launchpad)

- Is the next generation of blockchain-enhanced launchpad. NightPad makes it easier for users to access, collect and engage with adult content.
- For content creators and models, NightPad offers a simple way to reward their most dedicated fans, build their own relationships and monetize their content in a way that circumvents the traditional subscription economy.
- The first web2 integration will be with OnlyFans Platform. Verified Models will be able to create an NFT collection based on their existing web2 private content.

Marketplace

- Meta NightClub Platform will have its own NFT Marketplace with verified exclusive content. Every model will be verified by the Meta NightClub DAO.

\$MCLUB Token utility

Utility

Value

The native token for Meta NightClub is \$MCLUB

\$MCLUB will be used as the currency in Meta NightClub Metaverse and Platform.

Community Driven - DAO.

\$MCLUB token holders will participate in the governance of the platform and make important decisions about development

Advertising and items sponsorship will represent a key role in generating \$MCLUB tokens as revenue.

Being the first nightclub in the Metaverse, Meta NightClub will attract brands willing to advertise their products.

\$MCLUB Rewards Programme through fans participation.

\$MCLUB will be awarded for fans engagement & participation of every Verified Model.

Meta NightClub Launchpad (NightPad)

The revenue from new NFT Collections will be in \$MCLUB token.

Meta NightClub Marketplace

The Meta NightClub Marketplace will be your go to resource to purchase NFTs from Models' collections using \$MCLUB

Staking of \$MCLUB

\$MCLUB Tokens are used to run the network & can be staked in order to earn attractive APY's
